Spring 7

Message from the JRSO's

Hello! We are the JRSO's. We are writing to, first, say well done to those children who are walking at least once a week. Keep up these wonderful healthy lifestyles!

Remember these are the ways of travelling that you can get a badge from: walking, car share, hopping off a bus and walking, or park and striding (which means driving to 5 minutes away and then walking to

school) or bicycle. Mainly though we are writing to also congratulate Kestrels class for having the most people getting a badge this month - well done!

Thank you also to the parents and volunteers who gave up their time to come and read extracts from their favourite books to the children. Reading is a life long skill and pleasure and being able to model this for children is fantastic.

Another well done to our cross country team who ran

Message from Mrs Reid

Well done Kestrels! I wonder if another class can do as well, or better in March? Well done to the whole school for a fantastic effort in dressing up for World Book Day yesterday.

brilliantly yesterday as well, all challenging themselves to improve on their previous results and showing superb perseverance and resilience.

Have a lovely weekend.

Mrs Jo Reid

Welcome To Frieth School & The PTA!

Don't forget:

PTA Film night is tonight at a new venue—Elim Hope Church, Lane End.

Don't forget School Disco night next Friday 10th March.

FROM THE OFFICE....

SCHOOL HALL UPDATE

Following the email sent home yesterday, we would once again like to apologise for the disruption caused by the closure of the school hall. We can confirm that we invited a contractor to look at the apex roof to inspect what appeared to be a crack in one of the glass panels and to quote for necessary repair works. Following his visit yesterday morning, we were advised to close the school hall until a survey could take place to ensure that the pane of glass was not dangerous. We are pleased to say that the County Council acted promptly on our request for clarification and a survey took place today. The hall has now been deemed safe to use, although works are needed to repair the roof. Therefore the hall can now be used as planned in the upcoming weeks, with the only disruption occurring on the day we actually have contractors in to begin the necessary works.

PTA THANKS

We would like to thank the PTA for working hard to find an alternative venue for tonight's film night, and would also like to extend our gratitude to the Elim Church in Lane End for providing the venue at short notice.

EAGLES CLASS ASSEMBLY

The Eagles class assembly has now been rescheduled for Friday 21st April at 2:45pm. Again apologies for the inconvenience caused.

SCHOOL MEALS

The Premises, Health and Safety committee of the Governing Body met today at school. One of the items on the agenda was the standard of the school meals provided by Dolce as some concerns have been passed on to the school. The committee are actively looking into these concerns and will be carrying out spot checks on the standards and reporting back to the governing body. In addition Mrs Reid eats the meals with the children on a regular basis and is able to keep an eye on the quality of the food and the portion sizes being served. We recognise that some pupils do not like the option that has been chosen for them on a particular day and the staff encourage pupils to try as much as they can and ensure they have eaten enough food before they leave the table. To support this we would also encourage families to sit down and order the food together so that the children can tell you if they have tried one of the options before and would prefer to change their option. If you have any further specific concerns about the quality of the food on any given day, or a question you wish to raise, this can be done either through your class parent representative, or by email to the school office. Dolce also have the facility for you to either rate your meals through your live kitchen login, or you can pass on your comments to the live kitchen support team at support@live-kitchen.co.uk

NUT FREE ZONE

PLEASE ensure that you send sandwiches, snacks or food items that **DO NOT CONTAIN NUTS OR SEEDS** as we have pupils in school who are highly allergic to these and even touching surfaces they have been on can trigger a serious reaction.

GROSS MOTOR CONTROL AREA

We are so close to being completely finished and is going to look brilliant! Thank you to all the parents who have volunteered some time tomorrow to help paint the fences and the shed tomorrow. We look forward to seeing you there and will be on hand with hot drinks and treats to keep the workers going. Thank you to Mr and Mrs Brown for organising this working party.

WOW WALK TO SCHOOL

If you would prefer to walk home from school rather than to school this will still count towards participation in the WOW scheme. The walk home from school will be counted in the following days figures.

FROM THE SCHOOL COUNCIL

Comic Relief Red Nose Day is on Friday 24th March. The school council would like children to bring in £1 in a named envelope to buy a red nose. The school council will be selling them at break times from Monday 20th March in the school library. There will be other fundraising events for Red Nose Day organised by the school council. Watch this space.....

Other dates and events happening in the school diary can all be accessed in the Calendar section of the School Website at the following link:
