

The preparations for The Winter Ball are well under way. It is with great excitement that we attach the booking form for you to reserve your places for one of the highlights of the Frieth winter calendar. Held at St Katherine's at Parmoor, providing the perfect location, with welcome aperitifs in front of an open fire, a delicious 2 course dinner served in the historic Great Hall and wines and beers from the bar, before we dance the night away and share the festive revellery!

We hope you will share the event with your friends, colleagues and neighbours. You are welcome to book individual tickets or as a group (up to 12 guests per table) and we will endeavour to accommodate any specific seating requirements. **If you are booking a table, please could you state the names of all the guests on the form below, with their email addresses if you are not providing a cheque to cover the table.**
