Developing Potential without Limitations

Friday 1st July 2016

REMINDERS

THANK YOU!

To all the parents, grandparents and friend who arrived to support the children for sports day this morning. We were all extremely disappointed that we had to make the decision to postpone. The grass was just too wet and slippery after the rain overnight and this morning for us to be able to ensure our pupils' safety if we went ahead. We will try to find space in the schedule between now and the end of term to go ahead and will keep parents posted. Let's keep our fingers crossed for a spell of dry weather!

Emails and Letters sent home this week:

LETTER: YEAR 5/6 PRODUCTION

LETTER: NUT INDUSTRIAL ACTION

LETTER: PTA DISCO

E-MAIL: SUMMER QUEEN FLOWER ORDERS

E-MAIL: PTA MEETING REMINDER 28/6

E-MAIL: RE LETTERS NOW ON WEBSITE

N.U.T. STRIKE ACTION

To clarify the letter that has been sent home. **We are expecting the strike action to go ahead next Tuesday**, however, as with any industrial action, if the N.U.T. were able to reopen negotiations with the Department for Education, then the strike could potentially be called off. **We are not expecting this scenario to occur so we advise our parents to expect the action to go ahead and for the school to remain closed to pupils on Tuesday.** Any last minute changes to decisions will be notified on the Buckinghamshire County Council Website and either by email or SMS from the school.

Whole School Meeting—Wednesday 6th July

Thank you to all the parents who have returned their slips for the Whole School Meeting next Wednesday. Unfortunately, at this stage there may not be enough numbers to go ahead with the meeting. If you were planning to attend, but have not yet returned your slip, please could you return it by Monday. A decision on whether to proceed or to cancel will be made at lunchtime.

Website information

We are trying to improve our website and make it as useful as possible for parents. This includes a parents section with a section where we post the letters that have been sent home. If you think there may be a letter that you have not received, this is the best place to look. We would also advise that parents check periodically in case a letter has been sent but not made it into the book bag from the classroom tray.

Developing Potential without Limitations

Sunny weather

Now the weather is becoming sunny please remember to apply sun cream before your child arrives in school. Should they need to reapply, each child should have their own clearly named cream which they should be able to apply themselves. For safety reasons, children are not allowed to use another child's cream. Please also ensure your child has a named sun hat and brings a bottle of water into school with them. Sunglasses are not permitted without a note from a medical professional as the visor on a sun hat will provide enough eye protection.

Wet weather

Of course we are also experiencing some very wet weather! We ask parents to keep an eye on the forecast and provide children with lightweight raincoats so we can still enjoy our outside space whatever the weather!

Emails and Letters sent home this week:

LETTER Praise in the Park

EMAIL: Chateau du Broutel—photos on website &

EMAIL New Chair of Governors Announced

EMAIL: Reminders / Scarecrow materials request

Library project volunteers

We are looking for more volunteers to help with the painting and decorating for the new library on the 4th and 5th of August. We would also like volunteers to run a craft activity room for children to enable more parents to volunteer. Refreshments will be provided! If you are able to help with either of these, please email the school office.

Thank you.

Parking and Turning Circle

Please can I remind parents not to park on the corners by the entrance to the car park as this blocks the access for both the school buses and also any emergency vehicles if they were necessary. Can I also remind parents that if your child cannot get out of the vehicle unaided, please park further away and walk into school as parents getting out of their cars to let children in and out of vehicles also impedes the turning circle.

At the end of the day, please do not drive out of or into the car park as this poses a risk for the parents and pupils gathered at the end of the day.

Dates and events happening in the school diary can all be accessed in the Calendar section of the School Website at the following link:
