<p align="center">Norm of the North (U)</p> <p>A polar bear of many words, Norm's greatest gripe is simple: there is no room for tourists in the Arctic. But when a maniacal developer threatens to build luxury condos in his own backyard, Norm does what all normal polar bears would do...he heads to New York City to stop it. With a cast of ragtag lemmings at his side, Norm takes on the big apple, big business and a big identity crisis to save the day.</p>	<p align="center">The BFG (PG)</p> <p>Sophie is whisked away from her orphanage by the BFG and taken to Giant Country where she is immediately at risk of being eaten by the other, larger giants, including Fleshlumpeater and Bloodbottler. Together, Sophie and the BFG go on an adventure to Dream Country where they capture dreams for the BFG to give to all of the human world's sleeping children. After coming up with a cunning plan, the pair head back to London to see if the Queen can help them tackle the problem of the bullying, child-eating giants</p>
<p align="center">Secret life of pets (U)</p> <p>What do your pets do when you're not home? When their owners leave for the day, pets from the building gossip with their friends, satisfy their sweet tooth, and throw outrageous parties. But when a pampered terrier and his unruly new "roommate" from the pound get lost in the urban jungle of New York City, they must put aside their differences to survive the epic journey back</p>	<p align="center">Bednobs and Broomsticks(U)</p> <p>A good witch who uses her powers against the Nazis in World War II and is aided by three children in the effort.</p>
<p align="center">Trolls (U)</p> <p>Branch is a grumpy, paranoid loner who is quite content living on his own, away from the ridiculously happy population of Troll Village. When the village is invaded by troll-eating Bergens, the overly optimistic and annoyingly chirpy troll leader Poppy comes to Branch for help. As the unlikely pair go on a journey to rescue their kidnapped friends, they both find themselves realising what they have been missing.</p>	<p align="center">Planet 51 (U)</p> <p>When American astronaut Captain Charles 'Chuck' Baker lands on Planet 51, he thinks he is the first person ever to set foot on it. To his surprise, however, he finds that the planet is inhabited by small green people who live contentedly in a white picket fence world reminiscent of 1950s America - and whose only fear is that it might be overrun by alien invaders... such as Chuck. Chuck must now do all he can to escape becoming a permanent exhibit in the Planet 51 Alien Invaders Space Museum.</p>
<p align="center">Robinson Crusoe (PG)</p> <p>On a tiny exotic island, Tuesday, an outgoing parrot lives with his quirky animal friends in paradise. After a violent storm, Tuesday and his friends wake up to find a strange creature on the beach: Robinson Crusoe. Tuesday immediately views Crusoe as his ticket off the island to explore new lands. Likewise, Crusoe soon realises that the key to surviving on the island is through the help of Tuesday and the other animals. It isn't always easy at first, as the animals don't speak "human."</p> <p>Join Crusoe on a fun-filled wild ride for the whole family and rediscover a new take on this classic tale! Slowly but surely, they all start living together in harmony, until one day, when their comfortable life is overturned by two savage cats, who wish to take control of the island. A battle ensues between the cats and the group of friends but Crusoe and the animals soon discover the true power of friendship up against all odds (even savage cats).</p>	<p align="center">Storks (U)</p> <p>Storks deliver babies...or at least they used to. Now they deliver packages for global internet giant Cornerstore.com. Junior, the company's top delivery stork, is about to be promoted when he accidentally activates the Baby Making Machine, producing an adorable and wholly unauthorized baby girl. Desperate to deliver this bundle of trouble before the boss finds out, Junior and his friend Tulip, the only human on Stork Mountain, race to make their first-ever baby drop - in a wild and revealing journey that could make more than one family whole and restore the storks' true mission in the world.</p>
