Developing Potential without Limitations

Friday 15th July 2016

REMINDERS

SPORTS DAY

Weather permitting, we are provisionally going ahead with sports day on **Tuesday 19th July**. We will start promptly at **9:30am** and so request that pupils come **to school in their PE kit for the day**. The only change to the traditional sports day is that it will not be followed by a picnic as the school meals have already been ordered for the day and therefore pupils will need to be back inside for hot lunches at the usual time. They will then come home in kit and leave it at home for the summer holidays. Parents and relatives are welcome to attend and we will open the gates as soon as the pupils are in class for registration. Let's keep our fingers crossed that the rain holds off!

Mousells Own Clothes Day

Mousells children can wear their own clothes to school on Wednesday for winning the most amount of house points.

Reports

We would be grateful if you would return your children's reports to school by **Monday 18th July** at the latest, thank you for all those already returned.

Library and Reading Books

Please return all library and reading books by **Monday 18th July**.

Last day of Term

Our last day of term is **Thursday 21st July**. The school will close at **2:00pm** following the Leaver's service in the church. Please ensure your child is collected promptly.

Parking on the last day of term

As parking is at a premium on the last day, please ensure that all the corners and access points for the school are kept clear as in previous years we have had difficulties getting access to the playground for our school bus service.

Sunday 24th July

On **Sunday 24th July** at **9.00am** our new rector **Stephen Southgate** will be celebrating his first church service in Frieth. It will be an 'All age' service so come along and celebrate with him. Coffee and biscuits will be available at the end of the service which will provide the opportunity to chat informally with Stephen.

Website information

We are trying to improve our website and make it as useful as possible for parents. This includes a parents section with a section where we post the letters that have been sent home. If you think there may be a letter that you have not received, this is the best place to look. We would also advise that parents check periodically in case a letter has been sent but not made it into the book bag from the classroom tray.
