### Slapped Cheek

We have had a confirmed case of slapped cheek in Buzzards class, it is important to get a check up with your GP if you are pregnant and come into contact with slapped cheek. Please see more information at the following link: <http://www.nhs.uk/conditions/slapped-cheek-syndrome/Pages/Introduction.aspx>

### Volunteers needed

We now have plans underway for the development of our library over the summer holidays. In an effort to maximise the amount of money we can spend on inspirational library furniture, learning resources and books, we are looking for volunteers to help with painting and decorating, once the main building work is complete. Myself and Mel Sharp (Governor) will be volunteering with paintbrushes in the first week of August (probably the 3rd and 4th TBC) and would love as many people to help as possible. Refreshments will be provided! If you are handy with a paintbrush and available to help, please contact the office and we will be in touch. Thank you.
