Admissions &  
Appeals  
Committee

Nicola Brown  
(Chair)  
Jo Reid  
Lelsey Ansell  
Lorna Sparks

We also have a Staff Appointments Committee and a panel of 3 Performance Management Reviewers

## How often do we meet and why?

- Each committee will meet once every half term, maybe more often if there is a particular need
  - The minutes of that meeting are then circulated amongst the rest of the governors.
- The Full Governing Body (FGB) meet once every half term for a 2 hour meeting.
- The minutes are available via the school office and will be posted on the new school website.

The role of the governing board is a strategic one, its key functions are to:

- set the policies for achieving the schools aims and objectives
- set the targets for achieving those aims and objectives
- monitor and evaluate the progress the school is making towards achievement of its aims and objectives
- be a source of challenge and support to the headteacher (a critical friend)

# Thank you!!

- If parents are involved, children do better in school.
- From reading with your child at home, to volunteering in the classroom, to attending a PTA meeting, to supporting a PTA event, to becoming a governor, to running a school club to donating to the School Donation Fund.....
- The more we put in the more our children, staff and school can achieve.
  - Thank you
