House of Magic

Seeking shelter from a storm, abandoned young cat Thunder sneaks into a mysterious mansion owned by retired magician Lawrence, aka "The Illustrious Lorenzo". Lawrence shares his fairy-tale world with many animals and a dazzling array of automatons and gizmos capable of whipping up breakfast while rolling out a spectacular song-and-dance routine. He soon makes Thunder feel welcome, but Jack the rabbit and Maggie the mouse start plotting to get him kicked out. When Lawrence ends up in the hospital, his nephew tries to trick him into selling the house. But its ragtag inhabitants develop a spooky strategy to defend their home. They turn their house into a haunted mansion, using Thunder as their secret weapon.

Hotel Transylvania 2

Secretly worried that his half-human grandson, Dennis, isn't showing his vampire side, Drac (Adam Sandler) enlists the help of his friends to put the boy through a "monster-in-training" boot camp.
