

## **Morning Eagles,**

How are you all doing? Are you building up those home points for when you get back to school? Normally we would be preparing for our end of term Lent service today, so if you wanted to write a prayer for one of my collective worship videos, or a reflection on Lent or Easter, you could send it to the new class email address: [eagles@frieth.bucks.sch.uk](mailto:eagles@frieth.bucks.sch.uk)

## **RE 31/04/2020**

This is the 2<sup>nd</sup> part of the project you started last week (see below) Today I want you to use what you have found out to answer the 'Big Question':

### **Are All Easter Traditions Important to Christians?**

You must:

- Include a comparison of the 4 traditions you researched last week.
- You need to say why they are or why they are not important to Christians.
- You need to give and explain your own opinion to answer the question.

You should:

- Try to think about how the traditions are reflected in the Church services that take place during Easter week
- Try to link the traditions back to the story of Easter and the Resurrection from the Bible.

You can present your answer to the 'Big Question' in any way you like. Think about who you would like your audience to be. It could be a PowerPoint, a video, a poster, a letter to a friend, a diary entry, or an essay – be as creative as you can, but remember to include all the main points.

## **R.E. 24/03/2020**

I would like you to start a project about Lent and Easter today.

**Step 1:** Make a list of all the different Lent and Easter traditions you can think of, both world traditions and those closer to home. Write them on post it notes or slips of paper if you can.

**Step 2:** Sort the traditions into those which you think are Christian, and those which you think are not religious at all.

**Step 3:** Decide on two from each list. Use the internet to research the origins of these traditions and make notes. You will need these notes for next week's lesson to complete the project!
