Storks

Storks deliver babies...or at least they used to. Now they deliver packages for global internet giant Cornerstore.com.

Junior, the company's top delivery stork, is about to be promoted when he accidentally activates the Baby Making Machine, producing an adorable and wholly unauthorised baby girl.

Desperate to deliver this bundle of trouble before the boss finds out, Junior and his friend Tulip, the only human on Stork Mountain, race to make their first-ever baby drop – in a wild and revealing journey that could make more than one family whole and restore the storks' true mission in the world.

Robinson Crusoe

Get ready for a new take on a classic tale as we get lost with Robinson Crusoe and a bunch of adorable animals on a desert island. From the makers of *A Turtle's Tale* and *The House of Magic* comes a fun-filled adventure for the whole family to enjoy.

On a tiny exotic island, Tuesday, an outgoing parrot lives with his quirky animal friends in paradise. However, Tuesday can't stop dreaming about discovering the world. After a violent storm, Tuesday and his friends wake up to find a strange creature on the beach: Robinson Crusoe.

Tuesday immediately views Crusoe as his ticket off the island to explore new lands. Likewise, Crusoe soon realizes that the key to surviving on the island is through the help of Tuesday and the other animals. It isn't always easy at first, as the animals don't speak "human."

Join Crusoe on a fun-filled wild ride for the whole family and rediscover a new take on this classic tale! Slowly but surely, they all start living together in harmony, until one day, when their comfortable life is overturned by two savage cats, who wish to take control of the island. A battle ensues between the cats and the group of friends but Crusoe and the animals soon discover the true power of friendship up against all odds (even savage cats).
