*Let Your Light Shine!*

27<sup>th</sup> March 2026

We're now at the end of the spring term and it's been a busy and positive few months. The children have worked hard, made great progress and have taken part in lots of enjoyable activities. We're really proud of how much they've grown and what they've achieved this term.

### Please Name All School Clothing

As we head into the new term, please make sure all of your child's school clothes are clearly labelled with their full name. Sew-in or stick-on labels work best, but if this isn't possible, a clear black marker is fine. Please avoid initials, as these make it difficult to return items to the right child.

Any unnamed items will be placed straight into lost property. **Lost property is emptied into the clothes bank at the end of each week**, so named items are the only way to ensure belongings make their way back home.

### What a Fantastic Culture Week!

We had an absolutely brilliant Culture Week in school. Each class explored a different country and the children fully immersed themselves in their learning through art, dance, drama and writing. It's been wonderful to see the children let their light shine through curiosity, creativity and enthusiasm.

Celebrating the rich mix of cultures that make up modern Britain is so important and this week gave us a chance to appreciate the diversity within our own school community.

A huge thank-you to all the parents who came in to share their heritage and stories with the children. Your

contributions made the week even more meaningful and memorable.

### Football

Our girls' team played brilliantly against a strong Danesfield side, showing great effort and teamwork throughout the match. Although the score finished 3-0, they created lots of chances and should feel confident heading into their next game. The boys then took to the pitch and impressed early on, scoring twice to lead 2-1 at half time. Danesfield came back to win 3-2, but our players showed real determination and will remember a hard-fought match they can be proud of.

### Netball

Our Year 5 girls netball team travelled to Shiplake College to compete in their annual netball tournament, alongside 14 local schools.

The girls showed fantastic determination throughout the group stages, winning their section and

securing a well-deserved place in the quarter finals. After another strong performance, they progressed to the semi-finals where they narrowly missed out on a place in the final.

Excellent play from all the girls who took part - a fantastic achievement!

### World Book Day

The children had a wonderful time celebrating World Book Day! We started the day with an assembly where selected children received a certificate for showing the Frieth value of 'Creativity' with their outfits. The staff were blown away by how much thought, time and enjoyment had gone into making the costumes this year. We were lucky to be blessed with beautiful weather and classes spent time reading on the playground, playing active character games and Owls even had the delight of showing off their reading skills to Eagles class! Well done to all of the children and their grown ups for putting in so much We already can't wait for next year!

### Whole School Visit to Connells' Farm

We were all lucky enough to visit the Connells' farm where we saw the lambs being born which was a truly special experience. The children learned all about how the lambs are cared for, what they need to stay healthy and the hard work that goes into looking after them.

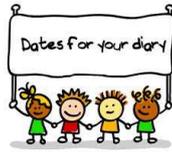

The highlight of the day was definitely getting to cuddle and feed the lambs. It was a wonderful hands-on learning experience that brought the classroom to life and gave everyone a new appreciation for life on the farm. A huge thank you to the farm team for making us feel so welcome!

### Red Nose Day!

We're delighted to share that our school community raised an amazing £263.00 for Red Nose Day this year.

Your generosity, enthusiasm, and brilliant fundraising efforts will help support vital projects that change lives across the UK and around the world.

All school dates can also be found on the school website. New dates in **red**. Sports Events in **blue** PTA events in **green**
