

Eagles Home Learning Tasks - Friday 19th June

If you **are not** in the below groups, please head to [Education City](#), where your work for today has been set for you.

Maths - for children in **green, yellow** and **white** groups

LO: Draw pie charts

- Start by logging into [TTRS](#) and practicing your times tables! Remember the school postcode is RG9 6PR.
- If you want to, head to [Education City](#), where the two 'learn screen' from Wednesday are still available on drawing pie charts.
- Then you need to work through the PowerPoint called 'Thursday 18th and Friday 19th June Draw pie charts'.
- **Work through slides, starting at slide 12.**
- Activity sheets to complete are then also to be found below this pdf. They are called 'Friday 19th June Maths and ANSWERS'. There are 3 sheets - each sheet gets progressively harder. The answers to the questions are on the final sheet of the document.

 Want something extra? There is also an EXTRA task for you to try, if you would like. Again, there are three sheets to this, which also get progressively harder.

English - for **all** pupils

LO: Synonyms and antonyms for size.

- Underneath this pdf you will find a PowerPoint called "Friday 19th June Spelling". You need to work through the PowerPoint before completing the activity sheet (called 'Friday 19th June Text message spelling activity sheet').

- Then spend some time practising the spellings from today's activity. You could:
 - Complete the Look, Cover, Say, Write, Check (LCSWC) sheet
 - Look up the definitions of the words and learn them
 - Try and put the words into sentences; can you construct passive and active sentences? Or could you use commas, brackets or dashes in your sentences? Could you construct your sentence so that it includes bullet points?

French - for **all** pupils

Please see separate sheet from Mme Reynard.
