New Starters Service

Last week, we held our Owls New Starters Service, a special occasion to officially welcome our Reception children to Frieth School and celebrate the excellent start they have made to school life. We now look forward to watching them continue to learn, grow and flourish throughout the year.

A special thank you and well done to our fantastic Year 6 pupils, who led the service with confidence, maturity and kindness.

School Trips and Theme Weeks

I would like to take this opportunity to remind parents that, while school trips and theme week contributions are voluntary, we kindly ask that these are made wherever possible.

The cost of any unpaid contributions has to be met from the school's budget, which reduces the money available for other resources and opportunities for children. If a significant number of contributions are not received, it may become difficult for us to continue

offering some of these valuable experiences in the future.

Of course, we understand that some families may not be in a position to contribute, and we would never want this to prevent a child from taking part. However, if you are able to make a contribution, we would be very grateful for your support.

Junior Road Safety Officers

Well done to our new JRSOs: Jamie, Pixie, Emily and Caleb. They will be helping to keep everyone safe around school drop off and will also be reminding parents and carers about safe and considerate driving and parking.

A gentle reminder:

- Please stay in your car when using the turning circle.
- Please do not park outside the Village Hall.
- Please drive slowly and carefully around the school site and surrounding roads.

Please also be considerate of local residents and those using the Yewtree car park. When driving through the village ensuring you are on the correct

side of the road, avoid obstructing driveways, and allow residents to enter and leave their properties safely. A little extra care and consideration goes a long way in helping us maintain positive relationships with our neighbours.

Thank you for your support in helping us keep our children, families and neighbours safe.

Mini Hilly Race – Friday 9th October

As part of the excitement building towards the Frieth Hilly on 11th October, we are delighted to be holding our Mini Hilly Race during the school day on Friday 9th October at 1.30pm.

The race will take place in the Frieth Fest Field (Bella's Field), behind the school, and we would love all children to take part. Distances will be staggered according to age group and members of the adult running club will be on hand to encourage and support the children throughout.

The entry fee is £2 per child, with all proceeds going towards supporting the school and parents are very welcome to come and cheer the children on! Please use the link [here](#) to donate.

Falcons

Please can we request that if there is a change to who is collecting your child from Falcons you email Helen so she can put a note in the Falcons register.

While the weather is still nice, Falcons may be playing outside so if there is no answer at the door when you come to collect, please call the Falcons mobile on 07749 055990 to let them know you are here.

Data Sheets

Reminder to get your checked data collection sheets back to school by Monday 5th October.
