Wednesday 4th July 2018

Dear Parents/Guardians,

On **Wednesday 11th July 2018**, the children in Owls and Buzzards classes will be going on a local walk to learn about the key geographical and historical features of Frieth Village.

Groups of pupils will have a 45 minute walk with Mrs Green and Miss Holt at different times during the morning. The remaining groups will be completing geographical work in school through a carousel of activities with Mrs Reid.

Children will need to ensure that they bring sun hats, sun cream and water bottles into school. Please also send children to school wearing trousers or leggings as appropriate for the weather, and to avoid contact with prickly plants or stinging nettles.

As parents have already given permission for local walks, we do not need a permission slip to be returned, however we would love to have some parent volunteers to support the teachers on the walks and the activities in school. If you are able to offer support, please complete and return the slip below to **Miss Holt by Monday 9th July** so that we can organise our groups.

Kind Regards,

Mrs Reid, Miss Holt & Mrs Green

Local geography walk
Wednesday 11th July

Please circle the chosen option or fill in any relevant information below:

I am able to volunteer my time for the morning of **Wednesday 11th July 2018** to accompany the KS1 children on a local walk.
