Let Your Light Shine!

Friday 9th May 2025

I hope you had a lovely Easter and that your child has enjoyed the first few weeks back. It has been another positive start to the term in school with lots going on and, as always, the children have been letting their light shine!

Walking Bus

Just a reminder, families are invited to join Amanda every Tuesday for the walking bus from Lane End. On the walks the children have been learning about the sounds of different birds and so far have heard blackcaps, blue tits, wrens, robins, blackbirds, chiff chaffs, blackbacked gulls, goldfinches and the common firecrest. As well as enjoying nature, it's a great opportunity to get fit, ensure the children arrive invigorated at school and you'll also be doing your bit to reduce your carbon footprint. Thanks to all the families that have joined Amanda regularly, but it would be great to see some new faces!

As always you can meet at **Morrisons in Lane End at 7:55am** or join the walk from **Ditchfield Cottages at 8:05am** or the **footpath entrance Moor Common at 8:10am**.

Rugby

Massive congratulations to our rugby team for winning Berks and Bucks Cup! The team played with the determination, skill and sportsmanship and should be extremely proud of their performance. It was a fantastic afternoon and most importantly great to see the children enjoy themselves so much and play with smiles on their faces!

Netball

Well done to our netballers for their super win against Danesfield. Please enjoy the below write up from Year 5 pupil, Tabby Boyden.

'Yesterday, we played Danesfield School, which is always really difficult, as they are one of the best teams in the league, but we did a great job and kept playing our best. Eventually, we won 8-6 and the players of the match (who played brilliantly) were Summer and William.'

Football

Thank you, Mr Burn for, your write up of the girls' recent match against Chepping View.

'Temperatures ran high as Frieth Foxes took to the Chepping View field on a scorching afternoon.

This was the final fixture of a blistering debut season that has seen the girls take on all-comers and enjoy notable successes.

Summer meant business in more ways than one and sentimental justice would have been served if her performance - as relentless as the sun - had resulted in a final day victory. Sadly, it was not to be. Lionel Messi had dressed himself up as a 10-year-old school girl and inspired Chepping View to a 4-0 victory.

Of course, results matter and the Foxes play to win, however, win, lose or draw, what I'll contemplate - under a setting sun - is the character of this team. Fun and unity always came first and how refreshing is that in today's game?'

VE Day 80th Celebration

On Thursday, we marked the 80th anniversary of VE Day in school with an assembly, activities in class and a 2-minute silence at 12pm. Thank you for dressing the children in red, white and

blue and it was lovely see some super VE day themed outfits.
