

Frieth Governors' News

Developing potential without limitations

Issue 23, Apr2019

End of the spring term...

As another exciting term draws to a close we reflect on all our amazing achievements.

The year started energetically with the school choir joining the Young Voices at Birmingham Arena for a night of song and performance with guest singers including Tony Hadley! The school Cross Country team has also been busy attending several races and representing our school extremely successfully.

The Year 4 children were also part of a Basketball Festival with 2 other local schools.

This term's whole school topic has been the Vikings. Before the half term break the children produced many projects utilizing sewing, baking, painting, drawing, writing, creating games and demonstrating their fantastic design and technology skills to produce work of a fantastically high standard.

KS1 children had a lovely day out at Brooklands Museum of Transport. Inspired by their topic of 'Up, Up and Away' they explored transport through the ages, saw some amazing vehicles and took part in some workshops. Meanwhile the rest of the children found themselves with an unexpected day off thanks to some water issues! Many thanks for your patience while Thames Water resolved the issue, and thanks to the staff for all their hard work this term.

Fundraising....

There are lots of ways the funds have been raised in school, all of which go to benefitting the pupils at Frieth. Some are the small scale items such as playground equipment and dictionaries. Some are bigger scale items such as musical instruments and outdoor adventurous equipment. There are many ways you can get involved in fundraising, from helping with events, to completing a donations fund direct debit. All of the information about these and the downloadable form are available on the school website.

Thank you, thank you

To all of you who have given your time, help and your financial support to the PTA, we are hugely grateful. With your generosity we are able to make the school, and its facilities, the best that they can be. We would particularly like to thank the Chairs Juliette Chung, Bertie Bayliss and Richard Piercey, Secretary Lisa Martin and Treasurer Leah Cabbage
