Developing Potential without Limitations

Thursday 23rd May 2019

Dear Parents/Guardians

In a continuation of our fantastic partnership with Garsington Opera, our year 6 pupils will be involved in a schools project based on **Offenbach's** opera '**Fantasio**'. This year, the project will encompass 1 full day of workshops here at Frieth, followed by a cluster day working with other primary schools at Stokenchurch Primary school.

During the project your child will develop drama, singing and music skills with the brilliant artists and directors from Garsington Education Project. The workshop will explore themes within the opera in a lively and imaginative way.

The project details for year 6 are as follows:

Workshop	**Monday 10th June**	**Frieth School Hall**	**9:00 – 3:10**
Cluster day	**Monday 17th June**	**Stokenchurch Primary School**	**9:00 – 3:00**

For the final part of the project, the year 6 pupils will be attending a performance of **'Fantasio' at Garsington Opera on Wednesday 10th July from 5:45.** This is only open to the year 6 participating pupils and staff so will be treated as a school trip. There will be a voluntary contribution **of £5 per child** for these tickets, which I am sure you are aware is an amazing discount on the usual price of tickets for Garsington Opera! Further details about this trip will be sent out nearer the time.

Yours sincerely

Mrs Jo Reid *BA (Hons), PGCE, MA, NPQH*
Headteacher
