Let Your Light Shine!

12th June 2026

Thank You!

We would like to extend our heartfelt thanks to all our parents and carers for the positivity and support you showed during our recent Ofsted inspection. Your kind comments and engagement were truly appreciated by the whole team.

We expect to receive the provisional report within the 18 days of the inspection. If we decide to contest any part of the report, the process will then extend by a further 30 days. As soon as we are permitted to do so, we will share the final report with you.

Staffing Update

As we approach the end of the academic year, we prepare to say fond farewells to some valued members of our team. Mrs Tyzack and Mr Burn will be moving on to new opportunities. While we are sad to see them go, we are immensely grateful for the fantastic contributions they have each made to Frieth and wish them every success for the future.

We also offer warm wishes to Mrs Georgia Shallish, who will begin her maternity leave in November. We look forward to welcoming her back in due course and wish her and her family all the very best during this exciting time.

We are also sad to say goodbye to Miss Lizzie, who has been a wonderful addition to the team this year. Her theatrical background has enriched our extra-curricular offering and we wish her every success as she embarks on her next exciting adventure.

We are thrilled to share that this year's teacher recruitment process has attracted an exceptionally strong field of applicants, a reflection of how highly Frieth is regarded as a place to work and grow. We are delighted to be welcoming several new colleagues to our team, each bringing fresh energy, enthusiasm and expertise that will enrich our school community. We look forward to introducing them to you soon, along with class allocations for the year ahead.

Library Plans

As many of you are aware, our school has begun planning for a wonderful new library space, which will be built as an extension on the back of our school hall. This project represents a significant investment in our children's learning and future opportunities.

Planning has now been submitted and we look forward to sharing updates as the project develops. More information will be added to our website in due course.

Young Enterprise!

Our amazing Year 6 children have been busy showing off their entrepreneurial flair! They took part in a mini-enterprise project where they designed, budgeted, made and sold their very own sweet treats. Their hard work paid off - they raised an incredible £200 profit for the PTA and demonstrated real business talent along the way. We're so proud of them!

Netball

In stark contrast to our last game, we had to battle the elements for our match against Stokenchurch. Frieth took an early lead in the first quarter and after a biblical downpour, carried on pulling away despite the slippery ground to claim a well-deserved 14 -2 win.

There was brilliant play by all and wonderful sportsmanship on show from both teams.

Special well done to Willow on getting Player of the Match.

Well done Frieth netball!

ECO Achievements

We are so proud of our wonderful pupils who met with the MP for High Wycombe, Emma Reynolds, at the Village Hall on Friday and shared all of our eco-initiatives from the past three years along with the ongoing work we're doing

to help protect the environment. Emma was incredibly impressed with everything we've achieved and how confidently our pupils spoke.

It was also great to then show Emma around the school and highlight all the wonderful things happening here at Frieth.

Football

Fifty-three children, many of whom were representing school competitively for the first time, from all classes in Key Stage 2 left school on Friday morning and travelled to Henley Showground to take part in a Summer Football Festival.

On a glorious afternoon, when football was clearly the winner, two of our teams lifted trophies and two more competed in trophy matches.

As the curtain falls on a wonderful season of football, all players and a large number of parent coaches and supporters should feel very proud.

Ospreys Viking Day

Ospreys had a fantastic Viking day on Friday! Well done to the children who made a brilliant effort with their costumes! We designed and made Viking shields; engraved Runes into salt dough; enjoyed creating information posters on different aspects of Viking life, whilst listening to rhythmic Viking warrior music!

Buzzards Trip

Buzzards had a fantastic time exploring Waddesdon Manor! It was a scorcher of a day, but it didn't stop them looking for towers and turrets, retelling the story of Sleeping Beauty and searching the aviary for the beautiful Asian Blue Fairy birds. The children showed amazing listening skills and loved sharing their knowledge of adjectives with the trip leader!
