Let Your Light Shine!

Friday 19th January 2024

I hope you have enjoyed hearing about your child's first few weeks back at school. I am very pleased to report this term has started smoothly and children have settled back well.

Turning Circle

It's been great to see more parents using the turning circle in the morning. Could I take this opportunity to remind parents who are walking to school with their children to stand at the side of the car park to allow cars to turn safely. I also would also like to kindly request that if parents have messages for teachers, that they email the office instead of passing them onto me at the gate. However, I am on hand if there is something you wish to have quick informal chat about.

Car Sharing Ap

Just a reminder we will be launching our car sharing ap on the 28th January. More details to follow next week.

School Trips

There are some exciting trips coming up which will be enriching our curriculum and I would like to thank all those parents who always make their 'voluntary contribution'. However, it's slightly disappointing to see an increasingly large number of parents are not. When this happens, the money comes out of the school budget; money which is used to buy essential things that enable the school run. One pending trip has a shortfall of over £200 and it will quite simply mean we won't be able have trips should this continue. I fully understand that for some families it is not possible to pay the contribution, and

I am more than happy to support in this instance, but if you are able to pay, then please do so.

Sport News

The netballers start the defence of their league title next week with an away match against Disraeli school. Confidence is high with the team going unbeaten so far this season. They also play local rivals Danesfield at home on Friday, who were very keen for a rematch after our superb win against them earlier in the season so if you're around please come and support. As always tea, coffee and biscuits provided!

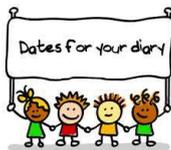

Good Bye Miss Clio

I am sorry to report that Miss Clio will be leaving us after Easter to embark on a new adventure. Miss Clio has done an incredible job transforming the forest school over the last couple of years (along with the help of some of our wonderful parents!) from the overgrown wooded area at the end of our field into an outstanding outdoor learning environment for the children and will be sorely missed. We are actively looking for a replacement and a Job Description and Person Specification has been added to

our website. I'm sure you join me in wishing Miss Clio good luck in her new endeavours.

- Tues 19th March: Eagles Assembly – 2.45pm (more details to follow)
- Thurs 21st March: Buzzards Assembly -2.45pm (more details to follow)
- Thurs 21st March: Netball Match Frieth v Stokenchurch (more details to follow)
