KS2 Years 3,4,5,6 DT NEXT WEEK

Please could all KS2 children bring a piece of A4 card to school on Tuesday for their DT work, the back of a cereal box would suffice. Many thanks !

School Uniform

We are currently in the process of changing our school uniform service to an online service only, the new supplier will provide a better value school uniform and a 5% donation will be made to the school for each piece of uniform purchased. The new uniform will be of the same style and quality as the existing supplier and it will be available during the winter term of 2016 once the existing supplier stock has been depleted. In the meantime you can still purchase uniform from PMG schoolwear in High Wycombe but there is limited stock in the shop so please call in advance to check availability, you can still order any item in the size you require but you need to be aware that any non-stocked items will take up to 14days to arrive.

Update from the Frieth Hilly Committee !!

I know it feels a million miles off, but the Frieth Hilly committee is already underway and planning 2016 ! One of our favourite tasks of the year is working with the school to design the Hilly logo. As you know, every year the Kites class have a competition to design the logo for marketing the race (including over 3000 flyers, posters and website). This year, the Hilly is also having new banners printed which will also include the logo.

Thank you very much to all the class who all submitted entries, the standard was really high and made judging really difficult. I am pleased to announce that the following pupils will have their pictures in the logo - Ciaran Davey, Ava Ainsworth, Bertie Trevelyan, Ellie Gowers, Charlie Courtney, Sennen David, Jessica Rhodes, Milly Horan and Rory Pearson. The overall winner, with a design which was the most innovative which we seen for a long time and really summed up the race was Keira Pusey. Thank you all for your hard work !

The Hilly is really a huge commitment for the whole school, not least of which the Hilly Committee - and this year one of our members has decided that the time is right for them to move on. Katy Dunn has been instrumental to the Hilly's success in using her creative talents to support all the communications. I'm sure that you would agree that, through Katy, our Marketing is the envy of other races, but I think that we will miss Katy's constant positivity, smile and unfaltering support. We miss you already !!

So, we are really pleased to have a couple of new members of our committee ! Anya (William Hicks' mummy) has joined us and will be heading up corporate engagement, whilst Jess Richards (Mummy to Ottilie) will be looking after Comms. I'm sure that you will agree, two great additions to our gang !
