## Spring 10

### Message from Mrs Reid

Happy Red Nose Day everyone! The school has been a hive of activity today with baking, decorating, LOLathons and red noses galore. This afternoon the children have been making a giant red nose from their loose change and will be selling their products in the school hall during workshare this afternoon.

Also today, the reception children have been busy making beautiful posies for the Mothers' Day Service at the church on Sunday. Thank you to our

foundation governors for helping them to make them.

Also today, Frieth hosted the first ever KS1 Multisports festival, organized by Club Sport. We were joined by the pupils, staff and

parents of Radnage CE Primary, Carrington Infant School, Cadmore End CE Primary and Widmer End to take part in a range of activities from javelin to long jump and bat and ball skills. The children all braved the bitterly cold weather this morning, and rose to the challenge of the festival and I am

delighted to announce that Frieth won the trophy! Well done to all the year 1 and 2 pupils that took part!

Finally a huge congratulations to Sacha who has been successful in auditioning for a main role for Garsington Opera this summer.

Don't forget the Mothers Day Service and the Easter Egg hunt this Sunday. We look forward to seeing you all there!

*Mrs Reid*

### Road Safety

It has been great to see so many of our families taking the time to walk to and from school this term. Well done everyone. Some of the road into school has no pavement however, so can we remind walkers to be vigilant in keeping over to the side and reminding children to look carefully before walking around the skip or parked cars coming up the hill. Can we also ask all drivers to be extremely careful when approaching the school and drive even more slowly than usual to provide enough stopping time should a pedestrian or child walk out.

### Mathletics

Our trial period for the Mathletics programme is coming to an end this week and we hope you have had fun with trying out the activities. Please can parents return the evaluation questionnaires as soon as possible so that we can decide on whether to buy into the service from next term.

### Maths Parent Information Evening

A flyer has been sent home today for a parent information evening being held in school on Tuesday 25th April at 7pm. This is a brilliant opportunity to hear from Julia Brown, a leading expert in the field of maths education and we are incredibly fortunate to have secured her services. Please RSVP to the office so we can cater for numbers.

### Easter Service

A reminder that we will be having our school Easter service in the church next Friday at 1pm.

### National Schools Funding

The letter about educational funding was written and sent to all schools from the local authority and all primary school Headteachers have been asked to send this letter out today. It explains the future government plans for schools funding from 2018 and how it may impact on Buckinghamshire schools.
