VOCOSA PIANO LESSONS

Next week lessons will take place on Wednesday instead of Monday.

ENIGMA STREET DANCE

For parents of pupils attending Street Dance there will be a performance on Tuesday 21st March. If you would like to arrive at 4pm to watch you are very welcome, you don't need to inform school if you are coming. If you come to the side door of the school Emma will come and let you in.

MEDICINES IN SCHOOL

If your child needs lip salve in school for medical reasons you will need to complete a medical form which is available from the school office.

COLLECTING RUBBISH FROM SCHOOL

A huge thank you to Mr Chiappe, Mrs Timberlake and Mrs Davies for helping to clear away all the bits and pieces of rubbish from the side of school this week, we are glad to be having a Spring tidy up.

If any one else can help with removing rubbish we have some more to get rid of, so if you have a vehicle with a large boot we would be very grateful if you would contact the school office to arrange collecting more bits and pieces.

SCHOOL MEALS

The Premises, Health and Safety committee of the Governing Body met today at school. One of the items on the agenda was the standard of the school meals provided by Dolce as some concerns have been passed on to the school. The committee are actively looking into these concerns and will be carrying out spot checks on the standards and reporting back to the governing body. In addition Mrs Reid eats the meals with the children on a regular basis and is able to keep an eye on the quality of the food and the portion sizes being served. We recognise that some pupils do not like the option that has been chosen for them on a particular day and the staff encourage pupils to try as much as they can and ensure they have eaten enough food before they leave the table. To support this we would also encourage families to sit down and order the food together so that the children can tell you if they have tried one of the options before and would prefer to change their option. If you have any further specific concerns about the quality of the food on any given day, or a question you wish to raise, this can be done either through your class parent representative, or by email to the school office. Dolce also have the facility for you to either rate your meals through your live kitchen login, or you can pass on your comments to the live kitchen support team at support@live-kitchen.co.uk
