Let Your Light Shine!

Friday 20th December

It's been another successful term here at Frieth. I would like to start by thanking our wonderful community for all you do to support the school and your generous gifts for the staff. We hope you have a wonderful Christmas and a very happy start to 2025.

I'm so proud of our Year 5 and 6 children for letting their light shine at Parmoor a couple of weeks back. After singing some Christmas hymns and pop songs to the elderly, they enjoyed some tea and cakes together. It's so important that we give back to the local community and the children were an absolute credit to the school.

Well done to our super girls' rugby team who had a fantastic day at Marlow Rugby Club. Winning 3 matches and drawing 1, they played brilliantly and were joint winners! Kevin from Marlow rugby club will be continuing with the after-school rugby club each Friday in the new year.

Our netball team had a great afternoon at St Pirans. After a joint training session, they enjoyed playing a number of matches before being invited in for a post-match tea! We now look forward starting the league in the new year.

28 pupils from our year 4,5 and 6 netball teams took part in our first ever Christmas Netball tournament! The Jingle Ballers, Snowball Squad, Tinsel Titans & Mistletoe Mob battled it out (and drank hot chocolate!) across several 5-minute games. The teams were evenly matched and every team finished on the same number of points so the winners were chosen based on goal difference. Player of the Tournament went to Summer who played beautifully with year 4s as well as year 6s. The children had an awesome time and we are planning to make this a more frequent event through the school year.

As always, massive thanks to our awesome team of mums who give up so much of their time and energy coaching the teams and organising these fantastic events!

The running club have had a fantastic term with the children now consistently running 1k without stopping. Over the term, they have been practising run pacing, long distance running and have now started up-hill sprints to help increase speed on short distances. Great effort from the kids - let's keep this up for next term!

Eagles had a fantastic afternoon at the Connells' farm. They learnt about how their wheat is grown and harvested, what machinery they have and how they use them and enjoyed getting up close and personal with the cows! Thank you, Bella, for taking the time out of your busy schedule to introduce us to agriculture within our local community.

Halos sparkled, door knockers resounded, crooks curled and even the donkey's plod had extra bounce as Frieth's young stars lit up the stage in their retelling of The Nativity. Big thanks to Mrs Tyzack and our fabulous Key Stage 1 team for leading such a fantastic performance!

Well done to Eagles for an amazing class assembly. You all performed with such confidence and Let Your Light Shine in different ways. Super job Mrs Lampard and the year 6 team!

The children loved their visit from a very special person on Monday! Big thank you to Father Christmas and his elf for taking time out of their busy schedule to come and visit Frieth!

Wishing everyone a Merry Christmas and very happy New Year.
