

Eagles Home Learning Tasks - Monday 22nd June

If you **are not** in the below groups, please head to [Education City](#), where your work for today has been set for you.

Maths - for children in **green, yellow** and **white** groups

LO: Read and interpret line graphs

- Start by logging into [TTRS](#) and practicing your times tables! Remember the school postcode is RG9 6PR.
- You can find out about line graphs by watching these two videos.

[Video 1](#)

[Video 2](#)

- Then you need to work through the PowerPoint called 'Monday 22nd and Tuesday 23rd June Read and Interpret line graphs'.
- **Work through slides 2 - 11 only.**
- Activity sheets to complete are then also to be found below this pdf. They are called 'Monday 22nd June Maths and ANSWERS'. There are 3 sheets - each sheet gets progressively harder. The answers to the questions are on the final sheet of the document.

Transition - for **all** pupils

This work will be covered in school.

Please email the class email if you need access to the resources at home.

Science - for **all** pupils

LO: I can investigate materials that will dissolve.

- Start by working through slides 1-8 on the PowerPoint called 'Monday 22nd June Science'
- Once at slide 8, complete the investigation sheet called 'Monday 22nd June Science Soluble or Insoluble' as per the instructions in the PowerPoint.

- Then continue to work through the slides, to the end of the presentation.
- Then have a go at conducting your own experiment, investigating dissolving.
- To do this, you can use the 'Monday 22nd June Science Investigation Activity Booklet' to help. **You only need to use pages 1-5 of this set of sheets.**
