Let Your Light Shine!

Friday 15th March 2024

I hope your child has spoken positively about all the wonderful events which took place during our Book and Writing Week.

Rob Bradley, rapper and poet, certainly made a huge impression on Monday. Apart from his amazing freestyling during assembly, by the end of the day, every child had created a rap during the workshops he facilitated with each class.

We also welcomed in author Lou Treleven and Year 6 were lucky enough to hear her read some of her book 'Turns out I'm an Alien' with the children using this as inspiration to plan and write their own short story based on an unusual turn of events. We had zombie sharks, talking pigs, flying vampires and dinosaur boys! A fun and creative session indeed! The rest of school also thoroughly enjoyed the workshops she did with them.

On Friday, Amanda Kane-Smith, who is a professional storyteller visited us. On the final day of our whole school Book and Writing Week, children took part in energetic and engaging storytelling experiences using music, movement and drama.

Of course there was lots more! We had World Book Day on Thursday, teachers read their favourite stories and the children have also been busily writing their letters to Mr Coca Cola following on from our ECO writing competition!

It really was an absolutely brilliant week and so pleasing to see the children so enthusiastic about reading and writing.

Netball

Great result for netball team in their league match against Little Kingshill yesterday. The children played brilliantly in their 8-2 win and a special well done must be given to our two Year 5 girls, Alora and Phoebe, as well as player of the match Josie for their performances.

ECO Conference at Great Marlow

The Eco Council had a fantastic time attending the Eco Conference organised by Great Marlow School. We visited different stalls learning about up recycling, recycling, re-using clothes, which foods are vegan and making honey. We also visited some newly planted beds in the GMS playground and planted seeds with the gardening club. We can't wait to go back next year! Some of the brilliant Eco work we have done this year was also on display.

PTA

The school Easter Fair is taking place on Sunday 24th March. It will be a wonderful event enjoyed by many. However, as it stands at the moment, we unfortunately do not have enough offers of help.

The Easter Fair is a PTA annual event which raises much needed funds for our children.
