Let Your Light Shine!

16th October 2026

It's been another fantastic couple of weeks at Frieth, with lots of exciting learning, achievements and opportunities for our children. We are now looking forward to Science Week next week, which promises to be full of hands-on investigations and discovery, and we are also excited to welcome parents into school for Parents' Evening. Thank you, as always, for your continued support.

Snack Safety Reminder

Please ensure that any grapes, cherry tomatoes or other foods that could present a choking risk are cut up appropriately before being sent into school. Grapes and cherry tomatoes should be cut lengthways, and carrots should be cut into thin batons rather than chunks.

Taking these simple precautions helps to keep all children safe during snack and lunchtime. Thank you for your support.

School Dessert Update

As part of our ongoing commitment to promoting healthy lifestyles, the Senior Leadership Team has decided to replace school desserts with a fruit and yoghurt option each day.

This approach is already in place within the Early Years and has been very successful. We feel it is a positive step for the whole school, supporting our Healthy Schools ethos and encouraging healthy eating habits from an early age.

Help Required!

We are looking for a handy mum, dad, grandparent or carer who might be willing to lend a hand around school.

We have recently purchased a new wooden lost property box and have kindly been gifted a brand-new stage to support role play and imaginative play at lunchtime. Both items require a little assembly, and we would be incredibly grateful for any volunteer who could spare some time to help put them together.

If you are able to help, please contact the school office.

Frieth Hilly

What an amazing event the Frieth Hilly was!

The Mini Hilly got things off to a flying start on Friday, with some brilliant races and an epic Year 6 finale that went right down to the wire.

Sunday's main event was a fantastic celebration of our community. It was wonderful to see so many people involved, whether running, selling cakes, marshalling or cheering from the sidelines!

A huge thank you to everyone who helped, and a special shout out to the amazing Frieth Hilly Committee, who have worked tirelessly behind the scenes for months to make this such a successful event. We're incredibly grateful!

Football

Well done to all of our footballers who represented the school so brilliantly against Burford.

Facing a school around three times our size, both teams showed fantastic determination and resilience. Our girls battled to an impressive 0-0 draw and were unlucky not to snatch a winner, hitting the post late on. The boys faced a very strong side and went down 5-2, but scored two of the best goals you'll see at primary school level, courtesy of Ed and Izaiah!

Most importantly, every player showed excellent teamwork, sportsmanship and effort throughout. A great start to the season and plenty to build on. We're very proud of you all!

Lady Ryder Memorial Garden

Hawks had a lovely time at Parmoor. They loved exploring the garden and discussing what they found interesting, before learning about the different ways plants can pollinate.

They have each planted and taken home a strawberry plant which should produce strawberries to eat next year.

Thank you to the Lady Ryder Memorial Garden volunteers and the parent helpers for giving up their time so that we could enjoy a day of exploring in the sun.

Owls Farm Trip

Owls had an amazing time at Connell's Farm!

We had a wonderful time exploring the farm, visiting the wheat barns, feeding the cows and sheep and collecting eggs from the chickens.

A big thank you to our volunteers for their help and to Bella from the farm, who always looks after us so wonderfully. We're already looking forward to our next visit

All school dates can also be found on the school website. New dates in **red**. Sports Events in **blue** PTA events in **green**
