Friday 20<sup>th</sup> March 2020

Dear Parents,

Thank you for your form identifying as a key worker. I can confirm that as a key worker we are able to offer your child a place in school from Monday. School hours will be 8:55 to 3:15. Unfortunately at this stage we cannot offer Frieth Falcons Wraparound care, but please contact Mrs Reid if you would normally use this service and are still in need of extended school hours.

Please be aware that the purpose of the school over the coming weeks is childcare and not teaching, so we will be facilitating the pupils in completing their home learning. Only pupils with specific Education Health Care Plans will receive structured teaching or support based on their individual provision plans.

To make this as positive for the pupils as possible please:

- Send your child in mufti clothes
- Provide a packed lunch and snacks and drinks for the day
- Send in their individual home learning pack
- Ensure they have appropriate clothing for PE and outside time every day

Please can I remind you that this facility is needs based, so if there is another adult in your home who can provide safe child care, then children should be kept at home to support social distancing.

The rules on illness also still apply, so if your child, or a member of the family in your home become ill with a temperature or a persistent cough, the whole family must isolate for 14 days. Following the safe period of isolation, your child would then be welcome back in school. If your child will not be in school, please follow the usual protocols and leave a message on the school answerphone.

Finally, please can I ask you to complete the final form for your child as this will inform our new registers from Monday.

Many thanks
