 Fancy something extra? There is also a document called 'Tuesday 30th June RPS Maths and ANSWERS' that you can have a go at. Again there are 3 sheets - each sheet gets progressively harder. The answers to the questions are on the final sheet of the document.

English- for **all** pupils

What it's been like during lockdown.

- The local Parish newsletter has asked whether members of our Year 6 cohort could write about what life is like, now that school has reopened. Those children in school will be asked to write a short piece of writing about what the experience of returning to school has been like.
- For those of you who are still at home, could you please write about what life has been like during lockdown and now, given that you haven't been able to return. How does this make you feel? Is there anything you really

miss about school? Is there anything you really enjoy about completing your learning at home.

- In school, we will be taking today's and Wednesday's English lesson to discuss our ideas and to complete our piece of writing.
- The computing session on Wednesday will be to type this writing up in neat.

RE - for all pupils

We will continue to prepare for our Leavers Service.

This will include:

- Finishing the recording of our memories.
- Writing a prayer and videoing it being read, to be added to the service.
- Designing an order of service 'front cover' which can be used to help transitions in the video.

If you are currently at home, please choose one (or more) of the above items to complete (if not done so already) and remember to email it to the class email when finished!
