Let Your Light Shine!

Monday 29th April 2024

I hope you had a lovely Easter and that your child has enjoyed the first two weeks back. It has been another busy and positive start to the term in school with lots going on and, as always, the children have been letting their light shine!

Mabel HT for the Day

Tomorrow, Mabel Bruce will be our headteacher for the day. Miss Bruce has already been in contact and has requested an additional afternoon breaktime for the children. During the day she will be enjoying biscuits in the staff, leading an assembly, giving out headteacher's awards and you can also expect to receive an email from her!

Forest School

I would like to welcome Miss Catherine as our new forest school teacher. Miss Catherine is vastly experienced and I know the children have loved the sessions with her so far. Under her leadership, I see our forest school going from strength to strength.

ECO Writing

Congratulations to the children who were the winners of our ECO writing competition. Their work is now being collated along with illustrations from children across the school and turned into a presentation book which

will be delivered directly to Coca-Cola head office!

Lady Ryder Memorial Garden

Over the last two weeks Buzzards have visited Lady Ryder Memorial Garden at Parmoor. They have had an amazing time learning about the different plants and planting sun flower seeds. We can't wait to watch them grow!

Netball

Well done to our netballers in their doubleheader against Robertswood. In a very close encounter the girls team lost 10-7 before the mixed won 20-1. All children played brilliantly and showed great sportsmanship.

Football

Well done to our footballers for their performance on Friday. Despite the 2 - 0 loss, the children played with great skill and determination and deserved more than the result would suggest. Under Mr Burn's leadership, the footballers have come so far this season and should be proud.

Owls Trip

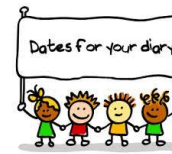

Last Wednesday, Owls class joined Mole, Ratty, Toad and Badger on a wild adventure filled with motorcar madness, exciting escapes and plenty of messing about in boats at the River and Rowing Museum in Henley-on-Thames.

Online Auction

Thank you to Alex Bruce for all your effort organising the online auction as well everyone who supported it their pledges. The money has now been counted and the final amount raised from them was a whopping £3883.97!
