19<sup>th</sup> December 2018

**Key Stage 1 Design and Technology Day - Thursday 3<sup>rd</sup> January 2019**

Dear Parents/ Guardians,

Our KS1 topic for the spring term is titled 'Up, up and away!' and our focus will be travel and transport. To start our learning, the children will be investigating wheels and axles in D.T. and making their own vehicle on the first day of the spring term. For this, please could all children bring in one small cardboard box (no bigger than a shoebox size) to school on Thursday 3<sup>rd</sup> January 2019. Also, please could the children bring in a small vehicle so that we have a wide range of examples of wheels and axles to inspect and assist their vehicle construction.

Thank you for your support.

Yours sincerely,

Mrs K Tyzack  
Assistant Headteacher

Miss C Holt  
Class Teacher
