They are amazing events to be at and the children will be part of the Frieth School Cross Country Team running individually and as part of a team.

We can only attend these events with parental support to take the children to and from each event and help out in the afternoon. We will need two marshals and one person to collect the numbers at the end of the races from the children and update our final sheet. The children really love the support you give them and so do we!

Could you please return the slip below to the school office by Tuesday 13th March forms received after this date will not be able to attend this race.

Many thanks, Justine (Tel: 07712241464 justineharbinson@yahoo.co.uk)
