

## Eagles Home Learning Tasks - Friday 5th June

Maths - If you are not in the below groups, head to [Education City](#) and complete some of the outstanding cities that have been set up for you.

Maths - for children in **green, yellow** and **white** groups

- LO: To solve practical problems involving circles.
- Start by logging into [TTRS](#) and practicing your times tables! Remember the school postcode is RG9 6PR.
- Then you need to head to the [Oak Academy](#), and follow the lesson, completing the quizzes and activities.
- If you do not have a compass at home for drawing a circle, you could try tying a piece of string to the end of your pencil like this:

➡ Want something extra? There are also some EXTRA questions from Target Your Maths. There are 3 columns - each one gets progressively harder.

## English

LO: To write a setting description

Remembering the work that you have completed this week on figurative language, can you head to [Pobble 365](#) and write a setting description for what you can see from one of the hot air balloons.

When you have finished, edit and improve by:

- Checking spellings and punctuation
- Using a thesaurus to improve your word choice
- Have you included at least one hyperbole?
- Have you included at least one metaphor or simile?

French - for **all** pupils

Please see the separate pdf from Mme Reynard.
