

Eagles Home Learning Tasks - Friday 12th June

If you **are not** in the below groups, please head to [Education City](#), where your work for today has been set for you.

Maths - for children in **green, yellow** and **white** groups

LO: Read and interpret pie charts.

- Start by logging into [TTRS](#) and practicing your times tables! Remember the school postcode is RG9 6PR.
 - If you need to, head to [Education City](#) where you can watch the 'learn screens' again on pie charts.
 - Next you need to work through the PowerPoint called 'Thursday 11th and Friday 12th June Read and interpret pie charts'.
 - **Go through slides 14-21.**
 - Activity sheets to complete are then also to be found below this pdf. They are called 'Friday 12th June Maths and ANSWERS'. There are 3 sheets - each sheet gets progressively harder. The answers to the questions are on the final sheet of the document.
-  Want something extra? There are also some EXTRA questions from Classroom Secrets. There are 3 sheets - again each sheet gets progressively harder. The answers to the questions are on the final sheet of the document.

English - for **all** pupils

As you know, today would have been our Sport's Day. So for your English work today, I thought it would be fun to complete a problem-solving mystery game from twinkl, themed around sports day.

It is called... 'The Obstacle Course Catastrophe!'

The pdf for the game and the answers are saved under this pdf.

Topic - for **all** pupils

As you know, for your topic work today, I would like you to run your own Sports Day at home.

 REMEMBER - there are lots of resources on the class page to help you!
And also remember to take some photos of what you got up to and send them to the class email!
