## Community cop Examples of the cards for year 6 different

By George

Year 6 is taking part in a sticker collecting scheme, along with other schools from the Marlow area, from 30<sup>th</sup> April to 6<sup>th</sup> July 2018.

There are 24 stickers to collect in total. We are completing a range of tasks encouraging us to be safe and to take part in the community.

stickers to collect are... sergeant, library, local history and faith.

In total there are approximately 14 schools competing in the Marlow area. The winning Year 6 class will get to go to Legoland for the day.

## Message from Mrs Reid

The JRSOs and the School Travel Plan committee have also been busy this week. Next week is national walk to school week and the team here at Frieth have been organising the week. Please see their latest newsletter also uploaded to the website.

And finally, well done to all our fantastic year 6 and year 2 pupils who have been completing the SATs papers this week. They all rose to the challenge in a calm and collected manner. I know this will have helped them to do their absolute best and we are very proud of all of them. A thank you to the rest of the pupils and staff who were extremely quiet and considerate during the week to make sure nothing disturbed our Yr 6 and Yr 2. Well done everyone!

Have a well deserved weekend of sunshine and royal wedding celebrations!

*Mrs Reid*

## PTA NEWS

## **Summer Information Evening**

The governors would like to invite all parents to join the staff and governors for our 'Summer Information Evening' on Wednesday June 6th at 7:30pm in the school hall. A flyer was sent home last week with more information. We will be thinking about our school values; how we have been developing the provision for phonics and spelling across the school; thinking about the successes of the past years and what we want for the future of Frieth School. Please book your place using the online booking service at:

<https://friethcec.parentseveningsystem.co.uk>

**Headlice;** We have a couple of cases of headlice in school and would be grateful if you would check your child's hair on a daily basis and treat if necessary so that we can avoid them spreading; please also keep long hair tied back as per the school policy as this can help. For additional advice please go to the following link:

## **REMINDERS**

**Parking:** We have had a number of complaints from our neighbours about cars blocking the driveways to their houses at the end of the school day. As well as being extremely inconvenient, this is potentially extremely dangerous as it blocks emergency access vehicles should they be required. Please can we remind all parents to park only in assigned parking spaces in front of the village hall or by the roadside; and not to block access to houses or the school. The only assigned parking spaces in front of the village hall are the marked bays in front of the hedge. If these are full, please park further along the road and walk, even if this means removing younger children from your vehicle to bring them with you. The car park is not to be used after 3pm until all the children have been sent home by the school and any vehicles parked in the car park will be asked to remain there until all the children are clear of the area.

**Turning Circle:** The Junior Road Safety Officers have reported that a number of parents are stopping in the turning circle and getting out of their cars to let children out and in some cases, to talk to other parents. This disrupts the flow of the turning circle and can cause further congestion on the hill and the entrance to the car park. If your child cannot exit the vehicle independently, please park further away from the school and walk them to the gate. From next week, the JRSO pupils on duty will be politely asking any parents who get out of their vehicle to return to their vehicle immediately and move on from the turning circle.

**Guitar lessons:** If you have a child who is interested in taking up the guitar, Mr Cannings has places available for pupils from year 4 onwards on Friday afternoon. Lessons can be done as a group or individually and can be arranged through the Buckinghamshire Music Trust <https://www.bucksmusic.org>

**Weather:** The weather is being as unpredictable as ever. This week we have a number of pupils without water bottles and sun hats for the hotter days, and additionally a number of pupils who were quite cold by the end of lunchtime today as they had no jumper or coat. Please ensure your child has suitable sun protection, a water bottle and a jumper in school every day to ensure they are comfortable and ready for whatever the weather throws at us!

### Choir club

We are looking for an additional volunteer to help Mrs Cheung run our choir club this term. Mrs Reid will also be supporting the club, but it would be fantastic to have another musician who may be able to provide an extra pair of hands. This does not necessarily need to be a parent, so if you know of any musicians in the community who may like to help out, please let us know.

### UPCOMING DATES
